

## THIS WEEK IN SCHOOL

The last week of the spring term as always was a busy one. Our Year 1 team have won the Sports (UK) Ltd tournament; football, hurdles long and short distance running races amongst others meant we were the fastest school with a fantastic attitude in their first ever tournament! Year 4 have been cooking some delicious food as part of their DT project. We enjoyed our whole school Easter service on Friday, and lots of celebrations for good attendance and good behaviour with party games and prizes. Nursery children took part in an egg hunt and egg rolling competition which was really good fun.

## THE WEEK AHEAD

We would like to wish all children, families and staff a safe and happy Easter break. We look forward to welcoming the children back to school on Monday 25th April 2022 for the summer term.

## Distinctiveness as a Church School

As we come to the end of the Spring half term, we are reflecting as a church school on the Easter story. On Friday, we will finish the term with an Easter Service, thinking about the sacrifice Jesus made for Christians. The Year 1 and Year 2 children have been preparing the service and the whole school have been practising Easter songs. We look forward to showing reverence and respect during the service.

John 3:16: For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

## Behaviour

Whilst the large majority of our pupils are well behaved in school, we have noticed, especially in the school playground at playtime, some bad language being heard. Can we remind parents to speak to children about the importance of being polite and courteous to their friends whilst at school as we will not tolerate bad language.

Thank you.

Take time to think about our value with your children and discuss how respect can be implemented at school, in our homes and in our community.

### Safer School Streets

Thank you for continuing to support our safer school streets scheme.

We are still looking for parent volunteers to support this so please contact the school office if you can help, even if just for one morning or afternoon a week. Thank you.

### Keeping safe in the Community
