

THIS WEEK IN SCHOOL

The first group of Year 6 students had an amazing time in the Lake District this week. They took part in lots of activities including, climbing, canoeing and hiking to name but a few.

Well done to year 4 who completed their national times tables tests this week.

Reception children had their hearing tests. A leader of education visited school on Maths Mastery and our young readers took part in an on line event.

There has also been lots of staff training in school this week.

THE WEEK AHEAD

The second group of Year 6 students are looking forward to their long awaited trip to the Lake District. We will be posting updates throughout our visit on the school twitter account. Morning Nursery children will visit Howarth on Wednesday and PM children on Friday.

DISTINCTIVENESS AS A CHURCH SCHOOL

This Terms Value in Worship is:

THANKFULNESS—Thanks for Life

'Looking in'

This week will be thinking about what we need to say thank you for. Things we need to have said thank you for already today. Learning words for Thank you in different languages. Time for quiet reflection to think about what want to thank God for today.

The big question for this week is:

Do we always have to say thankyou?
